Company Overview

Woman and minority-owned, Citrus Experience LLC is a health and lifestyle coaching company based out of Washington, DC. Our team has extensive experience in coaching in one-on-one and group coaching formats. This allows us to impact organizations on a mass scale efficiently.

Our services include but are not limited to health coaching, group coaching, lifestyle coaching, and breathwork. Citrus Experience sparks the fascination of improving your health and finding new ways to do so. Our team looks forward to helping your organization look at health and lifestyles in a new way while exceeding all of your expectations.

For additional information on our company and federal contracting abilities, please reach out today.

Past Performance

DC Center of Independent Living | February 2021-December 2021

Provided Health Education classes to residents of the District of Columbia with significant disabilities.
