### Company Overview

Doc Medical Billing and Practice Management is a full service medical billing company based out of Gaithersburg, MD. DOCMB focused on decreasing the amount of time medical providers spend on administrative duties while increasing their revenue, time for patients and families. We do this electronically, so everything is done faster and more efficiently.

Our services include but are not limited to billing services, document management and code audits. The DOCMB team continuously is staying educated and staying up to date on the latest practices, to ensure we deliver the best solutions.

Reach out today if you any questions about our capabilities.
