**DUNS Number: 118128426**

## Capability Statement

### Company Overview

Since 2019 Family of Bridges Trust Inc. has been providing remodeling services out of Oakcreek, Wisconsin. We are a minority owned company with extensive experience within the industry. This allows us to offer a variety of services to our clientele while exceeding all expectations. Our company is built on high quality work with time management and safety as a priority.

Our services include remodeling services such as framing, flooring, roofing, painting, and electrical services. The Family of Bridges Trust Inc. team consists of qualified, trained, and dedicated professionals who are more than ready to assist with your organization's needs.

Reach out today if you have any questions about our capabilities in the federal sector.
