Company Overview

Although Reliable PPE was incorporated in March 2021, the company is an amalgamation of Physician Medical Suppliers specializing in providing countless millions of PPE products to over twelve major chains, leading hospitals and consumers in the global market since 1992. Reliable by name and Reliable by promise built on the foundation of “complete transparency”. Buyers are welcome to meet our factory team and work side-by-side with us, guaranteeing the highest quality from the factory floor to your door! We own our supplies and maintain a steady flow of product for our buyers. Proof of life, inspection, full documentation and support 24/7.
