Company Overview

Mechanical Cooling Solutions is a minority-owned heating, cooling, and refrigeration company. We offer maintenance, repair, and installation services based in Carrollton Tx and the surrounding Dallas-Fort Worth area. We also travel throughout the state of Texas for projects, planned maintenance, and planned repair services. In addition to heating, cooling, and refrigeration services we also offer residential and commercial roofing services and residential remodeling as a GC provider.

Please, feel free to contact us for more information about our services, products, and federal contracting opportunities.
