## PUR CONSULTING LLC

### CAPABILITY STATEMENT —

Tom Harris PUR Consulting is a small business based out of Maple Grove, Minnesota. Harris is well known for his consultive approach to using Polyurethane Foam Insulation (PUR) in high performance construction. Tom Harris PUR Consulting can help construction professionals reduce risk, improve specification accuracy, and build superior projects. In addition, Harris delivers training, certification and tools to organizations and individuals who want to perform Building Envelope Energy Audits and implement energy conservation measures.

For more information about our services or for federal contracting opportunities, please reach out at your earliest convenience.
