### Company Overview

Since 2016, Sno-biz has been providing snow removal solutions for our clientele and partners. We are a woman owned and operated company based out of Kansas with capabilities to provide our products and training nationwide. With our experience totaling to over 20 years you can be sure our team will provide the best solution for your organization.

Our products include but are not limited to: liquid brine, bulk salt, ice melt, and nationwide on-site training. As a member of the Snow and Ice Management Association (SIMA), we have access to a plethora of training material that can be shared.

Contact us today to learn more about our federal contracting capabilities.
