### Company Overview

Since 2019 The Green Toad has been a licensed provider of Hemp in the state of Georgia. We are the first GA licensed farm and company to provide hemp and cbd products nationwide. With our experienced team our goal is educate and provide an organic and holistic alternative to traditional health products.

Our products and services include but are not limited to CBD hemp products, manufacturing, agricultural services, high volume packaging, white label private brand development, retail store franchises, delta 8 & 10 products, and pet friendly hemp products. The Green Toad team consists of qualified professionals who are ready to exceed all expectations with our products and services.

Contact us today if you have any questions about our capabilities in federal contracting.
