Company Overview

Established in 1952, Smittys Body Shop LLC is a full automotive body repair shop based out of Yuma, Arizona. We are a woman owned and operated company with a highly experienced team with over 70 years of experience. Our experience allows us to offer a variety of services while ensuring we provide first-class service to our clientele.

Our services include but are not limited to: vehicle inspections, automotive painting, automotive detailing, tire replacement, and automotive engine repairs.

The Smittys Body Shop team consists of dedicated and trained professionals who are ready to assist your organization with its needs. We are ICAR Gold certified, ASE certified, and have 5 star ratings showing you we are the right team to take on your automotive repair opportunities.
