

Ecovie Water Management

C A P A B I L I T Y S T A T E M E N T

CAGE: 99S01 **UEI:** MYCKDYAJR6W8

Ecovie Water Management provides high quality water management solutions. We are a woman, minority-owned small business that has 30 years of industry experience.

Our team is well versed in all service areas and offer products ranging from Aqualoop, Drainmax, to Plurafit. We are a company that is designed to deliver on-site services to scale grey water recycling & rainwater collection. In addition to a diverse skill set, we are NSF350 C certified, supply fully tested products, serve through excellent customer service, and more. Here at Ecovie Water Management, it's our duty to ensure the highest water quality possible for each and every one of our clients.

Please contact us today for additional information on our business and federal contracting abilities.
