Company Overview

Master Key LLC is a equipment and ammunition wholesale company based out of Michigan. We are a SDVOSB certified company with experience of fulfilling large orders of ammunition and first responder equipment. With our extensive knowledge we are capable of providing our products safely and efficiently nationwide.

We specialize in providing American made ammunition in various sizes and quantities. We also offer products such as first responder handcuffs, flashlights, and firearm accessories.

The Master Key LLC team is ready to provide equipment to local, state, and federal organizations in any quantity necessary. Contact us today to learn about what we can provide to your organization.
