

Capability Statement

CAGE: 9AD45 UEI: EWUHZGFSY1W5

Mindline LLC is a premier consulting firm based out of Florida. Our team has over 20 years of industry experience and offers an assortment of services to our clientele.

Our unique solutions include consulting services fueled by “people intelligence” driven results to include corporate personnel development, training and learning programs, talent acquisition and management, and a plethora of accompanying talent related solutions. In addition to our vast skillset, we strive to provide the highest quality of service in the industry, utilizing innovative methods in our processes and the latest techniques in learning and knowledge acquisition inspired in neuroscience and humanistic principles, using “people intelligence” for solution design and experiential learning for deployment. We measure our success by the high standards of our customers. Here at Mindlines, we strive to exceed client expectations throughout each step of the process and look forward to servicing your organization.
