

# Omnichen Solutions Inc.

## CAPABILITY STATEMENT

CAGE: 9KX39  
UEI: W8Y9FF81RW91

## COMPANY OVERVIEW

OSI Janitorial Company is a woman owned cleaning and disinfecting company with 20 years of experience. OSI offers services engineered for offices, residential buildings, industrial buildings, places of worship, educational facilities and other organizations throughout the Maryland, Northern Virginia & Washington D.C. regions. OSI provides specialized cleaning that ranges from COVID sterilization and sanitation to electrostatic spray disinfecting, along with a host of other cleaning solutions.

For more addition about our capabilities or for federal contracting opportunities, please reach out at your convenience.
