COMPANY OVERVIEW

Alcala Architecture is a Family Owned Small Business based out of Corona, California.

We have over a 40 years of industry experience, which allows us to offer an abundance of solutions to our clientele. We provide a variety of offerings including design-build, digital modeling, space planning, and other accompanying architecture solutions. We provide personalized service to each client and take pride in our service compliance, and safety. The Alcala team consists of qualified, trained, and dedicated professionals who are ready and more than capable of supporting your organization. We look forward to assisting with your federal contracting needs.
