Company Overview

Dunham Electrical Edge provides the best electrical repairs and installation services in Greeley, Colorado. We offer all type of electrical installations and repairs for residential and commercial clients; quality repairs is one of the company's top priorities. We also do residential wiring for custom and semi-custom homes. Our work is guaranteed as we are a licensed and insured business. We can upgrade your facility to LED and get Xcel to pay a large portion of the cost, cutting down clients' energy bills per month.

For more information about our services, or for federal contracting opportunities, please reach out at your convenience.
