Paradigm Safety LLC is a short and long term staffing firm based out of Kennewick, Washington. We specialize in working directly with businesses to create, implement and refine risk management and safety plans. We remove the pain from trial and error and create best practices so that companies can succeed in an efficient manner to begin with. Professionalism, timely service, and competitive pricing are a few of the reasons we have become one of Washington's most trusted safety consulting companies.

Please reach out for more information about our services or for federal contracting opportunities.
