## Capability Statement

### Company Overview

EJB Solutions LLC is a small business located in Louisville, Kentucky. We have over 30 years of industry experience and offer an array of specializations.

Our services include but are not limited to full-sale and whole sale retail, industrial and construction supplies and equipment, sub-contracting, and comprehensive consulting management solutions. In addition to a diverse skill set, we are process-driven, results-oriented, are well-versed in all service areas, complete all projects in a timely manner, and more. Here at EJB Solutions LLC, our team of professionals makes the success of our client's practices top priority and our support is available 24/7.

Please contact us today for additional information on our company and federal contracting abilities.
