Company Overview

Affordable Air and Refrigeration is a small business based out of Williamsport, Maryland. We are licensed air conditioning and refrigeration contractors. With over 27 years of industry experience, we provide top of the line installation, maintenance and repair services for both commercial and residential properties. Our team has the equipment necessary to handle everything from large commercial refrigeration systems to home air conditioning and furnaces.

We pride ourselves on reasonable pricing and faith based values that drive our excellent customer service.

For more information about our services or for federal contracting opportunities, please reach out at your convenience.
