Company Overview

Third Tree Timber is a leading provider of high quality sustainably harvested timber & lumber products. Based out of Harrisonburg, Virginia, we pride ourselves on our commitment to responsible forestry practices. Our team ensures that the forests we harvest from are preserved for future generations. We work closely with our customers to provide personalized solutions that meet their unique needs and deliver exceptional service with each order. With a focus on sustainability, quality, & customer satisfaction, Third Tree Timber is the go-to source for all your timber & lumber needs.

Please reach out for more information on our services or federal contracting abilities.
