

## COMPANY OVERVIEW

---

Fazule & Sons Plumbing is a small plumbing company based in Oakland, California.

Anthony "Fazule" Lopez, the company's Owner and Master Plumber, spent over 15 years first learning the plumbing trade in his home town of New York City, working in Plumbing and Construction there. Our team has been servicing the East Bay Area for over 20 years assisting both residential and commercial clients. We provide our customers with all available options for their home or business, and strive to exceed expectations by ensuring that all plumbing work is completed to the highest standards, craftsmanship, and in a timely manner. We use highest quality parts and equipment, and are dedicated to deliver exceptional work with a five-star service.

Please reach out for more information on our services or federal contracting abilities.
