# Analog Transfers COMPANY OVERVIEW

Analog Transfers is a small business based out of Longwood Florida specializing in digitizing/transferring vintage audio, video and film media to digital formats. Our roster of calibrated vintage gear is second to none and poised to provide the highest quality transfers possible. Our team of experts prioritizes quality, timeliness and competitive pricing and is backed by our founder Greg Rike who leads the team with 4 decades of experience.

For more information about our services or for federal contracting opportunities, please reach out at your convenience.
