

## CAPABILITY STATEMENT

**CAGE: 9QVT4 UEI: DZBHQRSBLAC7**

### COMPANY OVERVIEW

NEXATECH LLC is a dynamic provider of cutting-edge technology solutions; from ai-powered mobile applications development to cybersecurity consulting & contracting services that protect our clients' IT Infrastructures and all forms of Assets (Data [at rest and in motion], Network [firewalls, servers, routers, switches, WIFI], Devices [PC, Mobile], Facilities and People). Our cybersecurity consulting and procurement services offer robust protective solutions; from identifying all forms of cyber threats and risks against existing security controls, to providing hands-on strategic remedies, highly effective mitigation plan & continuity strategies, and tactically staying ahead of trends and evolving challenges in the digital space, all to ensure that our clients' Assets and Infrastructure remain steadily secured even in times of high cyber insecurity stress.

For more information about our services or for federal contracting opportunities, please reach out at your convenience via the contact information listed below.
