

## CAPABILITY STATEMENT

### COMPANY OVERVIEW

UEI: K447MAGZW9S9 CAGE: 1T1J0

Waterjet Cutting Services, Inc. is a small business located in Lynchburg, Virginia. Our shop was one of the first to use a waterjet machine on the East coast. We have a combined experience of over 100 years in this industry. Waterjet's goal is to get your order done in a timely manner and produce quality parts. We provide quick turn-arounds and can be very flexible when the job requires. Along with speed, we provide a cost effective quality to each part made. Our team can handle any part from prototype pieces to the production of many.

For more information about our services, or for federal contracting opportunities, please reach out at your convenience.
