

Associated Mobility LLC Transportation

CAPABILITY STATEMENT

COMPANY OVERVIEW

Associated Mobility LLC Transportation is a small business based in Sacramento California, while providing services to outlying areas as well. Our trained staff transports ambulatory and non-ambulatory clients to an array of appointments. These appointments include nursing home discharge, medical, and non-medical appointments such as: employment, educational, and training. We are open and available to accommodate for any procedure. Our transportation vehicles receive routine maintenance and are inspected and sanitized daily. Associated Mobility's drivers are required to be easily identifiable. Our transportation specialists are dependable and provide door-to-door service.

Please reach out for more information on our services or federal contracting abilities.
