### ◆ Company Overview

Friend Box is a small business based out of Massachusetts. Our team of industry professionals specialize in creating high quality packaging for a wide variety of commercial, medical, and industrial products. We keep our clients involved in the design process from the beginning to the end to ensure maximum customer satisfaction. Our large manufacturing facility has the capability to produce extremely large quantities in a very short period of time.

We are open to both primary and subcontracting opportunities and look forward to hearing from you soon.
