CAPABILITY STATEMENT

COMPANY OVERVIEW

Dirigo Risk Management Services is a team of experienced professionals who provide real-life, experienced-based training on what to do during an active shooter incident, how to manage both internal and external conflict, servant leadership, how to recognize when employees are high or impaired on drugs and alcohol, and a wide array of other risk management training. Our team includes retired law enforcement professionals, public servants, lawyers, and administrators. Our instructors are subject matter experts who deeply understand risk and how to train to help minimize it. The team at Dirigo RMS believes that delivering high-quality, customized training with a proven track record of performance is the ultimate solution for clients facing today's fast-paced and constantly changing business environment.

Please reach out for more information on our services or federal contracting abilities.
