### COMPANY OVERVIEW —

Dive LLC is a tailor-made BI-as-a-service provider located in Weston, Florida.

Dive's outsourced data service and tools replace the need for a full in-house team, saving companies hundreds of thousands of dollars yearly. We work extensively across all industries to come up with customized solutions to meet every customer's needs. Our team of experts build and maintain our customer's data warehouses, making sure they are suitable for the size of data required as well as the reporting speed. Dive is an in-depth BI solution that allows customers who have or don't have an existing data team to take control of data and have it properly managed, so that they can gain proper insights to make better business decisions. Our vast industry experience and knowledge provide us with the capabilities to deliver on all government contracts.

Please reach out for more information about our services or for federal contracting opportunities.
