COMPANY OVERVIEW

N2 Construction, Inc. is family owned and operated small business based out of Missoula, Montana. We specialize in providing construction management for residential and light commercial projects across the Mid and Northwest. Our team of experts work with architects, draftsmen, engineers, and customers from the birth of a project to its turnkey. N2 Construction is known for prioritizing quality, and communication without sacrificing budget or safety.

For more information about our services, or for federal contracting abilities, please reach out at your convenience.
