Company Overview

Arctic Slope Leasing, Inc, is a small business based out of Eagle River, Alaska. We specialize in both heavy machinery rentals and expert concrete pumping services. With a fleet of top-of-the-line construction vehicles, including excavators, bulldozers, large wheeled loaders, and 3/4 ton trucks, we provide comprehensive solutions for projects of any scale. Our seasoned team of professionals ensure efficient operations and superior results, whether it's equipment rental, earthmoving, grading, or concrete pumping. From residential developments to large-scale commercial and industrial projects, Arctic Slope Leasing delivers reliable equipment and skilled craftsmanship to bring projects to life on time and within budget.

Please reach out for more information on our federal contracting opportunities.
