COMPANY OVERVIEW

Connexions Federal Services, LLC is a small business based out of Paramus, New Jersey. We develop resource management strategies and new technological initiatives to meet the constantly evolving workforce demands. Our Team has a combined 70+ years' experience of Solutioning, Resource Management and Deployment in the Federal Civilian, Defense, and Intelligence arena. CFS provides custom-tailored IT and Human Capital solutions that reduce the overall risk while managing costs and delivering new technological initiatives.

Please reach out for more information about our services and federal contracting abilities.
