

# BC IT Solutions LLC

## Capability Statement

### Company Overview

Based in Greensboro, NC, our trucking and IT company offers a diverse range of services tailored to meet various logistical and technological needs. We specialize in heavy hauling and car transportation, ensuring safe and efficient movement of machinery and vehicles. In addition, we provide expert installations for networking, cabling, and POS systems, along with robust cyber security solutions. Our commitment to quality and reliability makes us a trusted partner for businesses seeking comprehensive transport and IT services.

For more information about our services or for federal contracting opportunities, please reach out at your convenience.
