COMPANY OVERVIEW

Founded in 2017, Open Range Resources LLC (ORR) started as a fencing company catering to local farmers, providing quality fence construction and water system installations. Over the years, ORR has expanded its capabilities and has built a reputation for excellence in reclamation and construction projects.

With a focus on safety, quality, and customer satisfaction, the company is deeply committed to supporting the communities they serve. From building a simple fence for a neighbor to handling complex industrial work for major corporations, we pride ourselves on delivering reliable results for projects of all sizes.

For more information about our services or for federal contracting opportunities, please reach out at your convenience.
