Company Overview

Founded in 2021, JMCDAVIS RV Transportation is a premier provider of recreational vehicle rentals based in North Carolina. Our company offers nationwide delivery service of our flagship RV - the 2022 Jayco Redhawk, a fully-equipped Class C recreational vehicle designed to provide comfort and convenience.

The Jayco Redhawk is built for extended travel, boasting a full range of amenities, ample inside and outside storage, and comfortable accommodations for up to eight people. Measured at 31 feet long with a 55-gallon gas tank and a 45-gallon water tank, our RV guarantees efficiency and reliability.

Our high-quality rentals can be strategically utilized for a wide range of government contracting opportunities including field operations, remote workstations, events, mobile outreach, and transportation projects.

For more information about our services or for federal contracting opportunities, please reach out at your convenience.
