

# Ingram Pediatrics, PA

## Capability Statement

### COMPANY OVERVIEW

Ingram Pediatrics, P.A. is a primary care practice operating in Plantation, Florida, offering comprehensive healthcare for infants, children, and adolescents from birth to 19 years old. With over 50 years of combined experience, we specialize in preventive care, early diagnosis, and the treatment of complex medical conditions. Our services include developmental screenings, newborn care, sports physicals, acute care, mental health screenings, and lab health screenings. Our mission is to provide pediatric health care in a patient-centered medical home office setting.

For more information about our services or for federal contracting opportunities, please reach out at your convenience.
