

Sleep Net at Tampa, LLC

CAPABILITY STATEMENT

COMPANY OVERVIEW —

Sleep Net is a trusted sleep center accredited by the American Academy of Sleep Medicine specializing in the diagnosis and treatment of sleep disorders for patients aged six and older. Offering both in-lab and home sleep studies, Sleep Net addresses conditions such as sleep apnea, insomnia, narcolepsy, and nocturnal epilepsy.

Our services help individuals and businesses improve health, safety, and productivity by identifying sleep issues that can compromise workplace performance, especially in high-risk industries. By prioritizing early diagnosis and treatment, Sleep Net helps to mitigate workplace risks and expenses.

For more information about our services or for federal contracting opportunities, please reach out at your convenience.
