Company Overview

Mobile Auto Services LLC dba MAS2U is a nationwide mobile automotive repair company skilled in providing essential mechanical and automotive maintenance services. Our mission is to make high-quality auto repair services more accessible, affordable, and customer-focused through strategic planning, modern equipment, and a dedication to customer satisfaction.

With over 20 years of combined industry experience, our technicians deliver prompt, reliable and tailored service under our "We Come to You" service model. We ensure that all clients receive professional and skilled automotive care while eliminating the time, stress, and inconvenience of traditional repair shop visits.

For more information about our services or federal contracting capabilities, please reach out at your convenience.
