COMPANY OVERVIEW

Established in 2012 by Mohammed Najar, a disabled U.S. military veteran and former law enforcement officer, Najar Investigations is a full-service investigative firm serving both public and private sectors. Our team is composed of active or honorably retired law enforcement detectives, each with exemplary service records and extensive investigative training. All investigations are conducted confidentially and in full compliance with federal and state privacy laws. We emphasize integrity, discretion, and professionalism in every case.

Najar Investigations offers multilingual services with fluency in Hindi, Urdu, Arabic, French, Mandarin, Japanese, Korean, and Spanish, with all investigators licensed to carry a concealed weapon. With a global network built over more than 20 years, Najar Investigations is trusted by individuals, corporations, and government agencies to deliver accurate, discreet, and effective investigative results, both domestically and abroad.
