COMPANY OVERVIEW

L-M Service Company, Inc. provides expert mechanical contracting services across New Jersey and Pennsylvania. Founded in 2000, we have built a reputation for excellence in commercial HVAC, plumbing, electrical, and building automation systems.

L-M Service Co. specializes in rescuing high-stakes projects, offering prompt, precise service for mission-critical facilities, government buildings, and technically complex retrofits. As a resilient and trusted partner, L-M Service Co. continues to lead the industry with speed, reliability, and a mission-first mindset. For more information, feel free to reach out at your convenience.
