

Capability Statement

CAGE: 103Y7 | UEI: RSXFSSR5SAA4

COMPANY OVERVIEW

Breeding Contracting LLC is a California-based general contracting firm specializing in residential and commercial construction. We offer a full range of services, including ground-up builds, tenant improvements, renovations, and specialty trades such as framing, drywall, painting, plumbing, and electrical. Our team brings extensive hands-on experience and a commitment to quality, safety, and efficiency, ensuring structured, phase-based execution on every project. We proudly serve developers, property managers, and private clients, delivering consistent results through transparent processes, proactive communication, and dependable project management from start to finish. With a reputation built on trust and performance, we strive to exceed expectations and build lasting client relationships.

DIFFERENTIATORS
