

CAPABILITY STATEMENT

COMPANY OVERVIEW

Our mission is to provide dependable, affordable, and innovative HVAC and refrigeration solutions that enhance the comfort, efficiency, and success of our clients. At Jireh Services LLC, we aim to exceed expectations by delivering tailored services with a strong emphasis on professionalism and customer satisfaction.

Jireh Services

15104 Ranier Avenue, Gulfport, MS, 39503

UEI: LDV3S2AKBQR4

CAGE Code: 10EF5

CORE COMPETENCIES

- HVAC Services for Residential & Commercial Properties: Expertise in installation, repair, and maintenance of HVAC systems, including heating, cooling, ventilation, ductwork, and climate control for homes, businesses, and industrial spaces.
- Refrigeration & Cooling Equipment Repair: Specialized service for walk-in coolers, freezers, ice machines, and commercial refrigeration units — ensuring consistent performance in high-demand environments.
- Restaurant & Commercial Kitchen Equipment Repair: Comprehensive repair and maintenance for essential kitchen appliances such as stoves, ovens, refrigerators, and freezers, helping food-service operations run without interruption.
- Preventive Maintenance & System Diagnostics: Routine maintenance plans and advanced airflow testing to detect issues early, extend equipment life, and maintain indoor air quality and system efficiency.

CERTIFICATIONS

- SBA (Small Business Administration)
- MBE (Minority Business Enterprise)
- CFESA (Commercial Food Equipment Service Association)
- EPA (Environmental Protection Agency)
- NCCER (National Center for Construction Education and Research)
