CAPABILITY STATEMENT

ABOUT

HoffZinger Environmental Compliance and Sustainability Services LLC is a woman-owned business dedicated to environmental stewardship and delivering exceptional service to the public. We offer an extensive range of services including environmental planning and consulting, regulatory compliance and permitting, bioremediation, and public assistance for natural disaster relief. The company leverages advanced technologies and proven methodologies such as ERP systems and Six Sigma to support sustainable business development and IT innovation.

Proudly serving private homeowners, businesses and government entities, our goal is to help clients improve their environmental footprint. By placing family and hospitality at the forefront of its culture, HoffZinger LLC is committed to fostering safety, sustainability, and a lasting positive impact for clients and communities alike.

For more information about our services or federal contracting capabilities, please reach out at your convenience.
