Capability Statement

Zona Facta is a veteran-owned security and risk mitigation firm dedicated to delivering comprehensive protection services tailored to the unique needs of financial institutions, commercial clients, and various organizations nationwide. With offices in Texas, Ohio, Oklahoma, Louisiana, and Colorado, we are expanding into new markets to deliver a full range of specialized security and risk mitigation services. Our leadership team, composed of seasoned professionals with backgrounds in law enforcement, military, and private security sectors, brings over 75 years of combined experience to the industry. This depth of expertise enables us to integrate disciplined operations, real-time intelligence, and skilled field teams to deliver reliable, high-impact solutions that prioritize safety, accountability, and client trust.

Our commitment to quality is unwavering, as we continuously invest in advanced technology integration and rigorous training programs to ensure our personnel are equipped to handle the evolving security landscape. At Zona Facta, we assess each client's unique risks and deliver customized security plans that provide peace of mind and robust protection.

Please reach out for more information about our services or for federal contracting opportunities.
