COMPANY OVERVIEW

We are a leading all-inclusive excavation company, proudly women-owned and family-operated, built on a foundation of quality and service. With deep roots in Northern Michigan and an active presence across South-West Georgia, our team draws on over 25 years of expertise to deliver superior results for every project. For more than 11 years, we have delivered dependable and efficient services to clients across Michigan, Georgia, Alabama, and Florida.

Specializing in land clearing, excavating, and site preparation, we handle everything from forestry mulching and storm cleanup to driveway installation, drainage, and septic systems. Our commitment to agility, personalized solutions, and strong client partnerships sets us apart from competitors—ensuring each job is completed safely, efficiently, and tailored to meet our clients' unique goals.

For more information about our services or for federal contracting opportunities, please reach out at your convenience.
