Capability Statement

Since its incorporation in 2008, Gallega Software Solutions Inc has specialized in high-quality temporary staffing and workforce solutions, serving both public and private sector clients with integrity and a focus on long-term partnerships. As a certified Minority Business Enterprise (MBE) under NMSDC and GMSDC, GALLEGA is deeply committed to ethical service, compliance, and delivering value-driven results tailored to client needs. Our track record includes successfully placing thousands of professionals, with particular expertise in information technology, software development, and cloud migration services.

Beyond staffing, GALLEGA offers a comprehensive suite of end-to-end cloud services, spanning Salesforce, AWS, Azure, and GCP including migration, system integration, on-call support, AI model development, and specialized technology training. Our agile teams prioritize close communication and transparent reporting, ensuring clients receive responsive support and the best-fit talent. With more than 15 years in business, a customer-first approach, and a robust instructional staff with 120+ years of collective industry experience, GALLEGA is uniquely equipped to close skill gaps and drive digital transformation for every client we serve.
