COMPANY OVERVIEW

Alford's Coding & Signing Services LLC supports healthcare facilities with end-to-end medical billing and coding, from accurately coding services, procedures, diagnoses, and treatments to preparing and submitting invoices and insurance claims for timely payment. We help streamline revenue cycles, minimize denials, and maintain compliance so providers can focus on patient care while improving financial performance.

Beyond operational support, we upskill the workforce through Medical Coding Courses tailored to beginners and seasoned professionals pursuing credentials like the CPC. We also provide trusted notary and loan-signing services, verifying identities, witnessing signatures, and maintaining notary journals for contracts, affidavits, and loan documents, delivering reliable documentation services alongside healthcare revenue expertise.

CORE COMPETENCIES

- Accurate medical coding
- Billing and claims management
- Revenue cycle optimization
- Compliance and risk control
- CPC exam preparation
- Beginner-to-advanced training
- Notary and loan signing
- Client education and support
