Wise Logistics and Medical Courier Services, LLC is a woman-owned, DOT-certified transportation company providing secure, time-critical delivery solutions for medical, laboratory, and general freight customers. Founded by Dr. Karen P. Wise, DDS, and veteran CDL operator Alex Webster, the company combines clinical insight with hands-on logistics expertise to serve hospitals, laboratories, dental offices, and government clients throughout Georgia and interstate regions under USDOT 4398132 and MC 1726135.

Wise Logistics provides specimen and pharmaceutical courier services, regulated medical waste transport compliant with HMTA and EPA standards, HIPAA-compliant document handling, hazardous materials logistics supported by PHMSA registration, and interstate freight transport using cargo vans and box trucks. The company emphasizes regulatory compliance, route optimization, GPS-tracked fleets, and digital chain-of-custody systems to ensure dependable, time-sensitive deliveries supported by transparent reporting and proven on-time performance.

Core Competencies

- Medical specimen transport
- Pharmaceutical deliveries
