Big Rock Grading and Construction is a women owned hauling company that supports contractors across North Carolina and South Carolina. The company provides reliable dump truck services that keep job sites moving efficiently by transporting essential materials in and out of active project locations. With a focus on safety, timeliness and consistent service, Big Rock Grading and Construction helps general contractors maintain smooth operations throughout every project phase.

The company specializes in hauling dirt, rock, asphalt, debris and equipment for a wide range of construction needs. Serving both small and large scale projects, Big Rock Grading and Construction combines experienced operators with well maintained trucks to deliver dependable results for partners across the region.
