UEI: G4XQKCK5A111

CAGE CODE: 9YBL6

COMPANY OVERVIEW

Atlantic Way CMGC is a New York based general contracting firm providing full service interior and exterior construction solutions. The company manages projects across residential and commercial spaces, delivering end to end construction services that cover every phase of the build. With the ability to self perform and coordinate all major trades, Atlantic Way CMGC ensures consistency, quality, and efficiency from demolition through final finishes.

With more than 30 years of experience in the construction industry, Atlantic Way CMGC brings proven expertise and hands on knowledge to every project. The team specializes in carpentry, electrical, plumbing, roofing, and a wide range of finish work, including flooring, drywall, painting, millwork, and cabinetry. Their commitment to reliability and craftsmanship ensures that each job is completed thoroughly, professionally, and on schedule.
