COMPANY OVERVIEW

PRM is a healthcare solutions company focused on connecting advanced medical technologies with the Federal Healthcare System. The company supports Veterans Affairs, the Department of Defense, and Indian Health Services by delivering high quality medical devices and essential healthcare services. Through strong partnerships with leading manufacturers, PRM ensures federal providers have access to reliable, effective products that enhance patient outcomes for veterans, service members, and underserved communities.

Built on integrity, innovation, and continuous improvement, PRM brings deep knowledge of federal procurement processes and healthcare environments. The company specializes in navigating complex regulatory pathways while staying at the forefront of medical technology. By aligning mission driven leadership with operational excellence, PRM consistently delivers trusted solutions that meet the evolving needs of federal healthcare agencies.
